AFSC MANYEAR EQUIVALENTS IN SUPPORT OF TENANT

This attachment is for AFSC planning purposes and is not subject to negotiation by the tenant. This attachment does not modify the host and/or tenant responsibilities as identified by other provisions of this agreement. It represents an assessment of the host effort required in support of the tenant. Functional areas estimated to require less than a manyear of effort are not reflected. Manyear equivalents are compiled by the AFSC MET (Det 28) in coordination with the host performing organization and are based upon estimated workload data submitted by the tenant. Tenant approval of the agreement does not indicate approval of this attachment.
